CORAM : DR.D.Y.CHANDRACHUD, J.

25th April, 2005.

P.C. :

The only grievance which is urged in these proceedings is that the Deputy Commissioner of Labour (the Second Respondent) has not taken the demands which have been raised by the Petitioner in relation to the services of certain drivers into conciliation. The demand has been raised on 17th February, 2005. Counsel appearing on behalf of the

management (the Third Respondent) states that the management has no objection if the demand is taken into conciliation and proceedings are held in accordance with law. Counsel for the First and Second Respondents states that the Second Respondent shall admit the demands at Exh.E into conciliation and adopt proceedings in accordance with law. In the circumstances, no further relief having been sought in the Petition, the Petition is, on the request of counsel for the Petitioner, dismissed as withdrawn.
